

From policy to practise – Examples of Vocational Excellence

Matthieu Merciecca
*Head of mission Economy-
Education and French Campus
des métiers, France*

Nina-Madeleine Peitz
*Scientific coordinators
INNOVET programme, BIBB,
Germany*

Unai Ziarsolo
*International project
manager at Tknika
(LCAMP), Basque Country,
Spain*

Hakan Kahramaner
*Marine Trainer and Lecturer
at University of Yalova/Yalova
Vocational School,
Turkey*

After over a decade in the private sector, working in favour of the knowledge economy, Matthew joins the French Ministry of National Education and progressively specializes on private and public partnerships and vocational training.

It has been three years since he has been in charge of developing the strategy and quality of French Hubs of Vocational Excellence (Campus des métiers et des qualifications). Currently, he coordinates and follows up on the 116 Campuses, including the 50 certified with the label of excellence.

GLOBAL PARTNERSHIPS FOR VOCATIONAL SKILLS

Dr. Nina-Madeleine Peitz studied International Economics & Management, International Business Studies and Romance Studies. She worked as a consultant in mobility projects of the EU Office for Economics and Vocational Training of the District Government of Münster, Germany. At the same time, she was a research assistant at the University of Paderborn in the development and testing of teaching/learning concepts in school-to-work transition projects to promote individualized and inclusive vocational education.

In 2020, she completed her doctorate at Friedrich Alexander University Erlangen-Nuremberg with a focus on business education on the topic of "Professional Development of Vocational Teachers in Language-Sensitive Content Teaching". In 2022, she joined the Research Director's division at Federal Institute for Vocational Education and Training (BIBB) in Bonn, Germany.
